Open Studios Weekend
Saturday + Sunday
8 + 9 May, 2021
Studios open 10am to 5pm

Immerse yourself in the beauty of the Dandenong Ranges, the perfect inspiration for an incredible weekend. All in studio visitor numbers will be limited to comply with COVID SAFE restrictions,* head to openstudios.com.au to see the latest information, and then complete your tailored artist trail on the back page.

Workshops, demonstrations and events

Please take a look at the events pages on either side of the map in the centre of this guidebook for a timetable of the special treats provided by the artists. You will find an amazing array of workshops, demonstrations and events held over the weekend in studios and online. Some fees may apply and bookings are essential. Head to our website to book.*

Dandenong Ranges Open Studios Group Exhibition

Wabi Sabi / The Beauty of Imperfection

15 April - 9 May 2021

Exhibition Launch 7pm Thursday 15 April

Burrinja Gallery

Cnr Glenfern Rd & Matson Dr, Upwey

Book your visit at openstudios.org.au

The annual Open Studios group exhibition is designed to produce a cohesive and diverse range of artwork to showcase the creative energy and skill of each artist. This year's theme is WABI-SABI, the Beauty of Imperfection, a Japanese philosophy which encourages us to focus on the blessings hiding in our daily lives and celebrate the way things are rather than how we think they should be. Bookings are essential*

See our website for most up to date restrictions including gallery hours and bookings.

Experience the new artist studios at Burrinja

Liberty Wilding

Studio 1.1 - Painting

Liberty explores memory, spirit and place in her expressive local landscapes. She uses saturated colour and delicate mark making to convey her ideas.

Greg O'Toole

Studio 1.2 - Painting

A realist painter trained in classical techniques, his practice includes portraits, landscapes and commissioned work.

Anthony Breslin

Studio 1.4 - Mixed media

Award winning artist currently working on large scale paintings.

Kristin McFarlane

Studio 1.5 - Glass

Investigates the concepts of 'fragile strength', ephemerality and permanence through an exploration of layers of kiln formed glass, botanical specimens, photography and print methods.

Lexi Eikelboom

Studio 1.6 - Painting & research

A scholar conducting theoretical research on categories that are important in philosophy theology, and the arts.

STAIN Studio

Studio 1.7 - Mixed Media

STAIN Studio's Aims are: innovation, experimentation and consolidation of the artistic voice, showcasing the multidisciplinary practices of two local artists and art educators; Stephen Glover and Rain White.

Tamara Desiatov

Studio 1.8 - Mixed media

A multimedia artist with a background in filmmaking and design.

3. Eastern Makers & Creators

Mixed media

Step inside our friendly studio (with plenty of parking) full of eclectic artists sharing creative journeys. Engage with individual artists. Explore the creative processes including mixed media art, a diverse range of textile and fibre arts, paper manipulation and eclectic art, drawing, jewellery making and laser cutting. Be surprised, be captivated, be inspired.

Flat driveway that has room to park in front of the house.

6 Forest Park Road
Upwey, 3158

0427 770 006

rwolske3@gmail.com

 @EasternMakersAndCreators

4. Alex Moncrieff

Mixed media

Alex creates mixed media paintings and assemblages, at times incorporating found materials. Ongoing themes include figuration emerging from abstraction and the dualistic nature of art object as an immediate and contemplative trigger.

4 Forest Park Road
Upwey, 3158

alex.moncrieff@gmail.com
www.alexmoncrieff.com

On street parking.

5. Juet Sculpture

Sculpture

Michael and Martin create new and original sculptures from old and discarded material. They work mainly in metal and their style is both abstract and figurative. All artwork is accompanied by interpretive poetry. In their 10th Dandenong Ranges Open Studios they are continually challenging themselves with their next creative journey.

22 Mary Street
Upwey, 3158

 @juetsculpture

6. Joy Serwylo

Mixed media

Is it the artist's job to document the demise of the Anthropocene, or to change it? Either way, Joy Serwylo feels completely overwhelmed and under equipped to tackle the task, but plods on regardless, burning books and repurposing them to hopefully say something about the crazy world we live in.

Street parking or across the road at school.

14 Darling Street
Upwey, 3158

0438 272 779
serwylo@bigpond.com
www.serwylo.com

 @serwylojoy

7. Glenn England

Ceramics and clay

Glenn has been working as a ceramic artist for almost 40 years. She enjoys the rhythm and spontaneity of creating wheel formed pots. She makes both functional and conceptual work which reflects her interest in 'containment'. She is currently exploring a series of vessel forms based on seed pods.

2 Douglas Street
(cnr Alexander Ave)
Upwey, 3158

On street parking.

glennengland@optusnet.com.au

 @glenn.england

8. Jenny Rowe

Ceramics, mixed media

Living and working in the Dandenong Ranges inspires Jenny's work. Curiosity about the natural world and how things come to acquire meaning and relevance makes for a continuum of thought and design manifested in her stylised figurative sculptures.

9 Brenda Grove
Tecoma, 3160

0450 330 450
jenny_odea@yahoo.com.au

On street parking.

 @jennyroweceramics

(ground floor only)

9. Nerissa Box

Mixed media

Nerissa's professional life involves the creation of large scale animatronic creatures in film, theatre and theme parks internationally. These have influenced and inspired her private mixed media pieces predominantly in creature design, sculpture and illustration and animal portraiture.

Five parking spaces available at the top of the driveway. One lane road, turning circle at end, further parking available on Blackwood Street.

9 Gordon Avenue
Tecoma, 3160

0439 030 403
nerissabox74@mac.com

 @Creature_Box
 @creature_box_au

10. Chris Lawry

Printmaker

Chris Lawry is a printmaker working principally in lino cut. Her prints are traditionally printed by hand on an etching press - between metal rollers, or by rubbing the back of the printing paper over the hand carved block with a wooden spoon or burin.

Parking at the back between 10-12 Wattle Ave.

1607 Burwood Highway
Belgrave, 3160

0422 521 131

clawryart@gmail.com

 [@chrislawryprintmaker](https://www.facebook.com/chrislawryprintmaker)

 [@chris_lawry_prints](https://www.instagram.com/chris_lawry_prints)

11. Brenda Page

Glass

Brenda works primarily in glass incorporating screen printing. Influenced by Victorian and memento mori aesthetics, she uses imagery sourced from vintage photographs to discuss place and loss. Brenda holds a BA in ceramic design majoring in glass from Monash University. Her work is internationally recognised and represented in major collections.

14. Narelle Gleeson

Metal - gold and silversmith

Foxes Hollow is a unique gold and silversmithing studio nestled in a native garden courtyard. Inside Narelle creates collections of contemporary jewellery with references to nature, her travels and immediate surroundings. All work is hand crafted using traditional techniques.

Two car spaces on property and on street parking.

3/48 Edward Street
Belgrave, 3160

0407 353 044
narelleglee@hotmail.com

 @foxeshollowjewellery

15. Gina Miller

Mixed media

Gina likes to explore colours and textures in her painting. She can bend the ideas of realism into an abstract so viewers can see different stories in her work.

Four parking bays on the property, two directly opposite. Additional spaces at the top of the street at the church or 150m past the property after the railway crossing.

Selby, 3159

0418 108 530
toronto401@live.com.au
www.rossmillersculptor.com.au

17. Mark Westaway

Screen printing, font design

Mark's fonts and images communicate fun, shape and intrigue in a range of disciplines and media. Graphic design, screen printing, transmography, photography and digital font designs are used to create ideas that are inspired by nature and the imagination. Mark constantly explores new alliances between traditional and new-tech processes.

Parking available in reserve across the road.
